THE HISTORY OF THE

REIGN OF

The reign of King Henry the Fourth, who reigned from the year 1399 to 1413, was a period of great civil war and political turbulence. The king's reign was marked by his struggle against the powerful nobles and the House of Lancaster, who sought to overthrow him. The most significant event of his reign was the Battle of Shrewsbury in 1403, where he defeated the forces of the Duke of Hereford. This battle was a turning point in the king's reign, as it established his authority and led to the execution of the Duke of Hereford. The king's reign was also characterized by his efforts to reform the government and the church. He issued several laws to strengthen the royal authority and to curb the power of the nobles. He also sought to reform the church and to bring it under the control of the crown. The king's reign was a period of great change and reform, and it laid the foundation for the future of the English monarchy.

THE HISTORY OF THE REIGN OF KING HENRY THE FIFTH, who reigned from the year 1413 to 1422, was a period of great military success and political stability. The king's reign was marked by his leadership in the Hundred Years War, which culminated in the Battle of Agincourt in 1415. This battle was a decisive victory for the king, and it established him as one of the greatest military leaders of the Middle Ages. The king's reign was also characterized by his efforts to reform the government and the church. He issued several laws to strengthen the royal authority and to curb the power of the nobles. He also sought to reform the church and to bring it under the control of the crown. The king's reign was a period of great change and reform, and it laid the foundation for the future of the English monarchy.

MINISTÉRIO DA INSTRUÇÃO PÚBLICA

SECRETARIA GERAL

Considerando que à excepção dalgumas raras jóias do património literário nacional, se não conhecem geralmente as obras-primas da literatura portuguesa, muitas delas de difícil aquisição pela antiguidade ou raridade das suas edições;

Atendendo a que a *Antologia Portuguesa*, organizada pelo escritor Agostinho de Campos e publicada pela *Livraria Aillaud*, procura obviar àqueles inconvenientes, oferecendo ao público uma colecção onde fique arquivada a produção literária de muitos dos bons prosadores e poetas nacionais de todos os tempos e escolas;

Atendendo ainda a que a forma material como a *Antologia Portuguesa* é apresentada, a torna verdadeiramente agradável e atraente e, portanto, de fácil vulgarização e largo proveito educativo;

Manda o Governo da República Portuguesa, pelo Ministro da Instrução Pública, que seja louvada a *Livraria Aillaud* pelo seu patriótico empreendimento, em vista dos altos benefícios que essa casa editora vai prestar à divulgação das preciosidades da literatura nacional, com a publicação da *Antologia Portuguesa*.

Paços do Governo da República, 24 de Abril de 1920. —
O Ministro da Instrução Pública, *Vasco Borges*.

Diário do Governo, II Série, n.º 98, 28 de Abril de 1920.
